THE WEB OF TIME

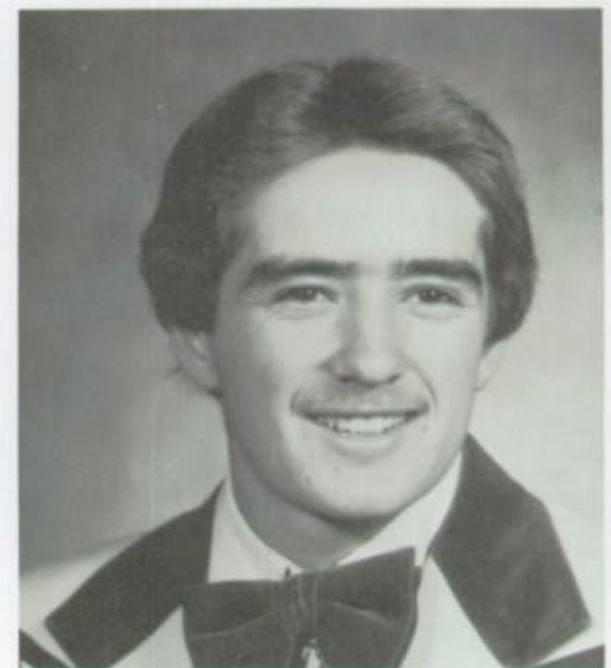

Reaching back through the door
to memories of yesterday,
We try to reconstruct time
as it was that one special day.

But the precious days ahead of us
is what we look to now,
As we prepare for the future
Still, not really knowing how.

We found within ourselves the courage to take the first step. The dedication and determination to succeed. With pain and pride we dared to fight against the odds, and felt the exhilaration of becoming great.

SPORTS OPPORTUNITIES

Sports through the eyes of H.H.S. have changed over the years. By working together as a team or individual we found the courage within ourselves to become what we are today. H.H.S. has never had a year such as 1980-81 that has offered as many different sport activities. As a school our sports program is one of the best around.

The 1980-81 Football Season offered many opportunities for self achievement as seen on a players helmet!

As we travel down the road of time
We find another page of our lives has turned.
As we strive for success in our future
Based upon all of the knowledge we've learned.

We'll graduate and leave it all behind
To become the good-old days.
A brand new world lies ahead of us

One that starts today.

This year has been better than all the rest
Full of memories that will last.
Yet the simple fact we've lived life once
Is in itself "A TOUCH OF CLASS."

QAVE: my dearest friend! Well, it's all over,
or is it? I hope you enjoyed your last
year here at good ol' HHS. You and Greg did
some pretty 'good' ^{RAD} things and left a lot of
memories. Too bad only Greg is going to be
back. - Don't forget to keep on visiting the
Thinchiff home. My folks really think
you're a good kid (those are dad's exact
words). I know u really enjoyed the
Sunday dinners you've spent over there,
etc. Good luck on your mission and in
everything you do. I know you're going to
be a real success in life. Keep in
touch! Lots of love,

Sara Thinchiff "LORA KATE"

Dave,
Good Buddy! I'm so happy for you!
You really are a super guy.
Thanks for your friendship.
Let's keep in touch OK?

Love,
Cathie
